SOUTH SCRANTON THE TURN OF LIFE.

APRON SOCIAL OPENED IN HICKORY STREET CHURCH.

Is Being Conducted by the Ladies' Aid Society and Promises to be a Big Success—Funeral of John Durkin Held Yesterday—Young Henry Bohr's Hand Badly Crushed at Woolen Factory—Thanksgiving Dinner at Cedar Avenue Church. Other Notes.

There was an overflowing attendance last night at the opening of the apron social, which is being held in the old church building of the Presbyterian church, on Hickory street, by the Ladies' Aid society of that church.

The interior of the building presented a varied and beautiful effect, adorned by large palms, potted plants and flags. Admission was gained by ticket, which entitled the holder of the coupon attached to an apron, which was presented him at the door. Not satisfied with giving him his money's worth in wearing apparel, the society had prepared a splendid literary and musical programme, which was rendered in excellent style.

After the programme, light refreshments were served for a nominal sum. Judging from the immense throng that gathered at the social last night, the Ladies' Aid society will have to go scouring about the city today for a supply for tonight's social, which will be held in the same place and for which an entire change of programme has been made.

The programme as rendered last night was as follows: Opening song, choir; piano solo, Miss Clark; recitation (selected), Miss Kehler; recitation (selected), Miss (selected); vocal solo, Miss Clara Hulse; recitation, Miss Nettie Wirth; duet, "The Stars Are Shining," Misses Olivia Smith and Ida Rentler. A quartette, composed of Messrs. Fred Lengler, Will Scheuer, John Baertcher and Will Kornecher, also rendered finely several selections.

The funeral of the late John Durkin took place yesterday morning from his late home, on Prospect avenue, and was largely attended. The casket was closed at 9 o'clock, and the cortege moved to St. Paul's cathedral, where a solemn mass of requiem was celebrated, after which interment was made in Cathedral cemetery.

The pall-bearers were John Melvin, Thomas O'Hara, Martin Merrick and John Gavin, and flower-bearers, Peter Merrick and Michael Cook.

Henry Bohr Injured. Henry Bohr, of Brook street, a young fellow fifteen years of age, had his right hand crushed in a distressing manner yesterday at Hermann's noodle factory, on Elm street, where he is employed.

The proprietor had gone out on business and left the big rolling machine in charge of young Bohr, who got careless and, without warning, had his hand pulled under the big rollers and badly crushed.

Dr. Quinn and Dr. O'Brien were the medical attendants, and it is thought present indications it is feared he will have to have several fingers amputated.

Thanksgiving Dinner. The Ladies' Aid society of the Cedar Avenue Methodist church will serve Thanksgiving day, as in their annual custom, one of their famous New England Thanksgiving day dinners, for the small sum of twenty-five cents. The following is a most excellent menu, which has been arranged for by the splendid cooks of the society:

Tomato Soup, Olives, Breadsticks, Pine-Apples, Enticed Figs, Almonds, Roast Turkey, Giblet Sauce, Creamed Onions, Baked Sweet Potatoes, Squash, Creamed Cauliflower, Cranberry Sauce, Macaroni, Coffee, Flies, Cake.

Music for dancing will be furnished by the band. The benefit arranged by the Jungers-Mannorchor and the Arbeiter Verein for their musical director, Gustav Schmidt, will be held this evening in Workingman's hall, Alder street. A fine entertainment has been prepared. Work on the new St. John's church, Pittston avenue, on Big street, has been abandoned until next spring by Contractor M. J. Ruddy. The church, as it now stands, has the outside work nearly completed with the exception of the steps and presents an imposing appearance.

The Aqueduct Silk mill will observe Thanksgiving day by shutting down, and the fourth and fifth floors will remain idle the rest of the week owing to an inventory which is being taken.

Philip Dippie, of Buffalo, is spending a few days with friends on the South Side. Mr. Dippie is connected with the Lackawanna Iron and Steel company, and formerly lived on Pittston avenue. He is preparing to re-locate his family in Buffalo.

D. W. Brundage, of Lake Ariel, spent yesterday with John Zang, of Cedar avenue. Mrs. Henry Buntz and two sons, of Cedar avenue, are visiting friends in Buffalo, N. Y.

PERSONALS. This evening, the pupils of No. 1 school will conduct an entertainment and social in St. Joseph's hall, on Main street. The teachers in charge of the event have been working earnestly for the last month and should be rewarded for their services by an over-crowded house. The programme to be given this evening is as follows: Opening remarks, Prof. Joyce; piano solo, Miss Laura Eagen; recitation, Mary Conolly; chorus, school; recitation, Sir Colin Campbell; song, Teresa Burke; recitation, Kathryn Higgins; song, Annie Haffron; recitation, Mary Gilroy; recitation, Gertrude Thomas.

THE TURN OF LIFE.

Its Probable Effect on Woman's Health and Happiness.

Women look with apprehension upon the "turn of life," generally known as the "change of life." Observation has shown them that sometimes that change is so far-reaching that it involves both mind and body in suffering. At such a time the mirror sometimes shows great changes in the face's changes which mark the pain and suffering which are being endured. Often, too, in these dolorous days there is almost complete

physical collapse. The suffering woman drops into a chair and with closed eyes struggles against her weakness. The suffering of this critical period in woman's life often leaves its lasting scars upon the mind. When I commenced to take the medicine I thought I would never live through the 'change.' I suffered from all the troubles one could have and live. I had stomach trouble; lived on dry bread and hot water for three months, not being able to keep any food on my stomach; had constipation and awful headaches; was bloated at times in the bowels, had pain in the chest and hacking cough, but, thanks to Dr. Pierce I am not troubled any more. I used the 'Pellea' and the 'Golden Medical Discovery' in connection with 'Favorite Prescription,' and find all of them just as Dr. Pierce recommends them to be.

"Since last October I have traveled over hard, rocky roads in farm wagons, and felt no return of any of my old troubles, and I know that before using Dr. Pierce's medicines I could not have stood half of it, as the least jar would have caused aching from head to foot.

"I most highly recommend all of Dr. Pierce's medicines, and I hope all ladies suffering from female complaint will try Dr. Pierce's Favorite Prescription."

The claim made for Dr. Pierce's Favorite Prescription that it makes weak women strong and sick women well is comprehensive and covers every form of womanly weakness or sickness which medicine can be expected to cure. "Favorite Prescription" establishes regularity and dries the offensive drains which weaken women. It quenches the fire of inflammation, heals the gnawing ulcer, and cures the backache and bear-

ing-down pains inseparable from female weakness. Mothers find in "Favorite Prescription" a wonderful tonic, imparting great physical strength, promoting the appetite and inducing refreshing sleep. It is a most perfect mother in health and strength and makes the baby's advent practically painless.

CLAIMS VS. CURES. It is very much easier to make claims than to make cures. It is by its cures "Favorite Prescription" is to be judged, and by the multiplied testimonies to these cures given by the grateful women who have been restored to perfect health and strength through the use of this great medicine.

"About five years ago I had very poor health," writes Mrs. S. E. Whalen, of Holden, Johnson Co., Mo. "After doctoring four years with our town doctors they gave me up; said they had done all they could. I had been confined to my bed half my time; the other half could hardly drag around. I had such pain in my back, that sometimes I could not stand on my feet for more than a few minutes. My feet were cold or burning, and my periods came too often. The doctors said it was change of life, so, as I had heard of Dr. Pierce's medicines, my husband got me a bottle of 'Favorite Prescription.' I took it and it helped me in some ways, so I wrote to you and followed your advice. I commenced 'Favorite Prescription,' 'Golden Medical Discovery' and the 'Pellea' at once. I insisted upon the remedy all the time and pills would weaken me so that I would have to go to bed. To the great surprise of everybody I got well, and when I met my friends they would say, 'I never thought you would be here now.' But I received your medicine, which no doubt is the best in the world. Have no use for doctors since I tried your medicine."

Dr. Pierce's Favorite Prescription is pure vegetable preparation and cannot disagree with the weakest constitution. It contains no alcohol and is absolutely free from opium, cocaine, and all other narcotics.

"Accept no substitute for 'Favorite Prescription.' If you wish to be cured as others have been, insist upon the remedy with a record for the cure of weak and sick women.

Women suffering from disease in chronic form are invited to consult Dr. Pierce, by letter, free. All correspondence is held strictly private and sacredly confidential and the written confidences of women are guarded by the same strict professional privacy observed in personal consultations. Address Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y.
